MEMORANDUM FOR: Chief, Special Activities Office, DIA
THROUGH: Chief, DIA/NPIC Detachment
SUBJECT: Staff Positions at NPIC
REFERENCES: (a) Ltr of 16 Apr 63 from Dir/DIA to
Dir/NPIC, C-3865/X.
(b) Memo of 6 Dec 62 from the DCI to
The Secy of Defense, Subject:
Participation and Assignment of DoD
Personnel Within NPIC Structure

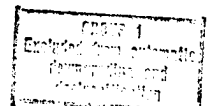

1. It is understood that early planning sessions for cooperative effort at NPIC included the military desire to fill certain key staff positions. Reference (a) indicated that DIA personnel would be nominated to fill the selected key staff positions listed in reference (b) as quickly as qualified candidates could be made available from within the Department of Defense.

2. In my opinion the concept of utilizing qualified military personnel in key staff positions at NPIC is excellent. It provides a direct means of military contribution and feedback related to an important national effort, in addition to assuring a smooth transition should control responsibilities shift to DoD as provided for under certain conditions.

3. The enclosure consists of billet descriptions for four such positions still vacant at NPIC. Although not mandatory it is preferred that the positions be filled with qualified military personnel. It is understood that these positions will be in addition to those already carried for the DIA/NPIC Detachment.
